

FUTURE OF WORK

In collaboration with

Career Panel Discussion: Digital transformation in Accounting and Finance
25 MAY 2022 | 7.00pm – 8.30pm |
Venue: CPA Australia Office, 1 Raffles Place #31-01 Singapore 048616

The recent trends in technology and digitisation have impacted the way we work, and many jobs in the accounting and finance sector have been redesigned to meet these changes. Hear from our panel speakers' insights on the accounting and finance functions and how technology impact the transformation on individual job roles.

Highlights

- Gain insights from experienced professionals on the skills set they required, as their jobs evolve.
- Identify key disruptors technologies that are driving this transformational change and emerging job roles
